## Jersey to the EU Pet Travel Animal Health Certificate Request Form

In order to travel from Jersey to the EU, unless your pet has a valid EU passport, we will need to issue your pet an Animal Health Certificate. Please complete this form and return it to us in advance of your appointment. Please make sure you tick the declaration at the end.

On the day of your appointment, we need you to bring proof of rabies vaccination, and proof of identification of the pet. If you have a Pet Passport for your pet that was issued before 31/12/2020 this will suffice. If you do not have a Pet Passport for your pet then please bring your vaccination card that shows the current rabies vaccination, and any documents confirming your pet has been microchipped.

**Owner's name** (title, first name, surname):

**Owner's address** (house name/number, street, town/city, county, postcode):

**Telephone number** (only one please, mobile preferred):

**Point of entry into the EU** (Which EU member state are you entering into FIRST):

**Species of pet** (dog, cat, or ferret) and **how many of each you are travelling with** (maximum 5 pets):

For each pet you are travelling with, please provide the following details:

Name	Species: (Dog/cat/ ferret)	Sex*	Colour	Breed	Microchip number	Date of Birth

\*For Pet's sex please state female, female neutered, male, or male neutered.

**Who will be travelling with the pet** (please select one, and provide further details if appropriate):

- Owner
- Person who has authorisation in writing from the owner to travel with the pet
  - (name, address, phone number)
- Designated carrier contracted by the owner to travel with the pet
  - (name, address, phone number)

**When will you be travelling?**

- Date -

### **Tapeworm Treatments**

Tapeworm treatment is required when dogs are travelling from Great Britain (including Jersey) to EU listed tapeworm free countries including Northern Ireland, Malta, Ireland, and Finland, and Norway. These dogs must be treated for tapeworm not more than 120 hours and not less than 24 hours before time of entry into one of these countries. Please select from one of the following options (not applicable to cats/ ferrets).

I am travelling with my dog to:

- Northern Ireland
- Malta
- Ireland
- Finland
- None of the above

Before returning to Jersey or elsewhere in Great Britain dogs must be treated for tapeworm not less than 24 hours, not more than 120 hours prior to your arrival time in Jersey (except for return from Northern Ireland, Malta, Ireland, Finland, or Norway). You must take your AHC with you for this treatment to a vet in the EU country you are in. However, if you are going from Jersey on a short trip returning within 120 hours, you can have this treatment done before leaving.

**I declare that the information entered above is accurate and correct. By submitting this form, I agree that New Era veterinary Hospital (or its agents) will use this information to complete an Animal Health Certificate (AHC) and any errors or omissions in the information I have provided may invalidate this AHC. Any invalidation of an AHC caused by errors or omissions in this form is entirely at my own risk.**
